Newsletter Editor
Geoff Lynn

Volume 1 Number 1

Seems simple enough, come up with a newsletter. Unfortunately as one who is rarely satisfied with my website designs, the design of this newsletter occupied a lot of time and preparation. Then what exactly to put in the newsletter ?

The former newsletter editor Hugh Robinson was very adept at getting the news out and we owe him a large vote of thanks for being the newsletter editor for ten years. I would be remiss if I didn't mention his newsletter header that always included the words Hugh Robinson and Staff. His staff always helped proofread his work and helped with suggestions. We also owe his staff a word of thanks, we all know his staff as Kay. Thanks Kay !

It will make my job a lot easier if members feel free to comment, offer suggestions, photo's, content, content ideas, content contributions and so on This news letter will be emailed out in PDF format and will also appear on the *Olds Kiwanis Website*. The newsletter may contain links to other pages or to external websites, the links will be a different colour such as the website link above.

The Presidents Plan for the year

While President Ray Gesshe's description of what he would like to accomplish in terms of club direction is simple, the realization of those goals will require full club participation.

1. Be on the lookout for another meaningful project.
2. Attempt to find efficiencies within our club that will allow us to spend our energy in the most effective way possible.
3. Continue to focus on increasing our membership.
4. Encourage active member participation in the club.
5. Continue to seek input from all club members.
5. Serve the club to the best of my ability.

Ray plans to revise the committee list but until that time committees remain the same and can be viewed [BY CLICKING HERE](#)

Upcoming Lunch Events & Guests

- | | |
|-------------|--|
| November 13 | A tour of the Bell-e Learning Centre At Olds College. |
| November 20 | Tom Thompson (President of Olds College) |
| December 4 | Janine Becker and Sandy Dorowicz will speak to us about the student leadership convention. |
| December 18 | Our Christmas Dinner with the speaker to be confirmed |

Make plans to attend the Christmas Party once again hosted by gracious hosts Brian & Rita Thompson on December 5th

*In Flanders fields the
poppies blow
Between the crosses,
row on row,
That mark our place;
and in the sky
The larks, still bravely
singing, fly
Scarce heard amid the
guns below.*

*We are the Dead. Short
days ago
We lived, felt dawn,
saw sunset glow,
Loved, and were loved,
and now we lie
In Flanders Fields.*

*Take up our quarrel
with the foe:
To you from failing
hands we throw
The torch; be yours to
hold it high.
If ye break faith with us
who die
We shall not sleep,
though poppies grow
In Flanders Fields.*

- John McCrae

The Kiwanis Village

The Kiwanis Christmas Season in Olds always begins with the construction of the Kiwanis Christmas Village. The construction was aided by presence of the *Olds Grizzlys Jr. A Hockey Club*.

The 42 Annual Kiwanis Auction is Nov 27

The auction is one of our two major fund raisers of the year and so we need everyone's help to make this years auction one of the best ever. The letters to the business's have been mailed. Your lists will be emailed out on Nov 10. Collection can probably start on the 12th but perhaps best left until after midnight madness. If you come across new business's or others who wish to donate add them to your list. Please complete your canvassing by Nov. 24th. I would prefer that donations be entered via the website as they occur but in any case make sure I get the yellow copy of the receipt. We will be setting up at the Legion at about 3:30 PM on the 27th. Beef on a bun and refreshments will be available. Olds Auction Mart and Rosehill Auction Services have agree to conduct the auction again this year.

For Some Reason

Some members have experienced problems accessing the website members section. What follows is the last detailed explanation I will provide. I will provide certificates of diminished capacity in technological area's to those who still can't get to the member pages.
